

# CARIBBEAN RADIO LIGHTHOUSE

*Send out thy Light and thy Truth* Psalm 43:3

November 2023

In September, CRL celebrated 48 years of broadcasting the Gospel to the Eastern Caribbean islands! We're ever grateful for how the Lord has guided over the many years and provides for the needs of CRL!

For years we have discussed the desire to put up a billboard in Antigua to advertise for CRL, and this summer one of our mission teams raised money to help print and rent a billboard space on a busy intersection in Antigua! Please pray that this billboard will draw new listeners to CRL, where they will hear about their need of a Savior!

We're excited to announce a new staff member for CRL! Earlier this fall, Alena Armstrong completed a 3.5-week internship with us, and then the Lord directed so that she began full-time with us in October! She is learning the processes quickly, and we're enjoying her enthusiasm. Please pray as we are looking to hire another full-time staff member as Bro. Augustine Erskine plans to retire at the end of this year, and we still need additional missionary personnel at CRL.

We've had a few churches ask for a brief video update since I have not been able to be Stateside to visit churches. And so, I added a [2023 CRL Video Update](#) to our YouTube channel. Please share this video with your congregations and continue to pray for CRL!

We continue to work on the AM Site generator's electrical issue, and we ask for your prayers that the issue would be resolved shortly. We're also raising funds for two projects. We need \$6,000 to replace the Studio generator's transfer switch, which automatically powers up the generator when the government power goes out. And we also need \$2,500 to replace the telephone system at CRL. Donations to these projects can be sent to BIML Account #243.

At the end of November, we were able to house one of our broadcasters, who was preaching for one of the local church's anniversary services and building dedication. We also started our Christmas music, and we're excited to celebrate the birth of Christ our Saviour with our listeners!

From a listener in Antigua: *"To each one, I am very blessed every time I listen to the broadcasters. The preachers preach the Word in and out of season, no matter what day it is. Thank you for dedication of hard work. Continue to preach God's unchanging Word."*
